Sir,

Sub: South Kanara district - Reallocation - Transfer of Sullia Station from the limits of Kasaragod circle to that of Puttur Circle - Proposal - Approval requested-

---

I request the Government to approve of my proposal to transfer the Sullia Police Station in the South Kanara district from the jurisdiction of the Inspector of Police, Kasaragod to that of the Inspector of Police, Puttur for the reasons given below.

2. Kasaragod circle is the most important rural circle in the South Kanara district with heavy law and order responsibility. It has 5 Police stations and one outpost within its jurisdiction, viz., Kasaragod, Manjeshwar, Hosdrug, Sullia and Chervathur stations and the outpost at Adhur. All but the Sullia Station are on the sea coast and form a convenient unit. The Sullia Station is in the extreme eastern corner and is situated at a distance of 36 miles from Kasaragod. Due to unbridged rivers, the itineration in Kasaragod circle is very difficult. Hence the Inspector of this Circle is unable to pay the required attention to the work of the Sullia Police Station. Moreover, the first and second class Magistrates having jurisdiction over the Sullia Police Station limits are having their headquarters at Puttur which is only 22 miles away from Sullia.

3. The Puttur Circle has at present 4 Police Stations and an outpost viz., Puttur, Vittal, Kadaba and Bantval stations and the outpost at Uppinangady. The work of the Inspector of the Puttur circle is not so heavy as that of the Inspector of Kasaragod circle and the Sullia Police Station can be included within his jurisdiction with advantage. There are regular and convenient bus services connecting Puttur and Sullia. The work of the Sullia Police Station can be supervised easily by the Inspector of Puttur circle.

4. The proposal does not involve any extra expenditure to Government.

5. The proposal does not also involve any change in the magisterial jurisdiction.

6. The District Magistrate, South Kanara, has recommended the proposal.
